

St. Oliver's Special School

Parent and School Partnership Policy

Introduction:

This policy was developed for St. Oliver's Special School. It was reviewed by the Parent Association and ratified by the Board of Management.

Its purpose is to provide information and guidelines to parents and staff on parent/staff meetings and communication in St. Oliver's Special School. The family and home are central to the social and intellectual development of the child and the nurturing of good, moral values. The school and the family strive to be mutually supportive and respectful of each other, so that the child's education can be effective. All the stakeholders aim to work for the benefit of the child and their learning.

Parents are encouraged to:

- Develop close links with the school
- Participate in meetings in a positive and respectful manner, affirming the professional role of the staff and all staff members in the school
- Collaborate with the school in developing the full potential of their children
- Share the responsibility of seeing that the school remains true to its ethos, values and distinctive character
- Become actively involved in the parent association
- Participate in policy and decision-making processes affecting them
- Participate in School Self Evaluation initiatives in the school

Staff are encouraged to:

- Establish good communication with parents/guardians of pupils in their class
- Keep parents/guardians informed of their child's progress and behaviour both positive and negative
- Listen to what parents/guardians have to say and encourage them to bring any concerns to you at an early stage to avoid situations escalating
- Be aware of the role of parents/guardians as prime educators and emphasise that all parties are working together for the child's benefit to help reach his/her potential

- Value and respect the input of parents as they know their child best.

Structures in place to facilitate open communication and consultation with parents:

- Parent Association is set up to facilitate parents for coffee mornings, meetings, courses etc
- Meeting for parents of new students - mid June

- Parents are invited to discuss and contribute to the drafting and review of school policies. Decisions taken to change current policies and procedures or to introduce new ones will be made known to all parents in written format via the school website
- Regular notifications and the school website keep parents up-to-date with school events, holidays and school concerns
- Text-a-parent is used to inform parents of school closures, clinics, appointment etc

- Parents are invited to events throughout the year e.g. coffee mornings, fundraisers, Christmas Party, Graduations, Communion, Confirmation, End of Year Celebrations
- Involvement of parents in the relevant activities.

Parents of all students are also welcome to make an appointment any time throughout the year to meet with the class teacher or the school Principal.

Teachers will be available before 9:20am or after 3pm for phonecalls.

Parents can communicate with the school by phone or email.

If a parent wishes to consult with a teacher, he/she can contact the school secretary to arrange a suitable time.

It is vital that the school is immediately informed if family events/situations occur that cause anxiety to the child and therefore may adversely affect their education.

In all matters pertaining to the wellbeing and education of pupils, only the parents/legal guardians named on the enrolment form will be consulted by staff.

Parent/Teacher Meetings:

Formal Parent/Teacher meetings will be held once a year for all classes. Where possible they will be held in the third term for all classes. They will be initiated by the school staff and details regarding time, etc will be worked out by the class teacher, in consultation with parents. Parents may be given the opportunity to select preferred times on a note from the class teacher. The school will attempt to co-ordinate times where siblings are concerned. Meetings may take place in classrooms. The teachers use

prepared guidelines for the meetings and collaborate in advance about the progress of individual children.

The purpose of the Parent/Teacher Meeting is:

- To establish and maintain good communication between the school and parents
- To let parents know how their children are progressing in school
- To help teachers/parents get to know the children better as individuals
- To help children realise that home and school are working together
- To meet demands for accountability
- To share all positives about the child
- To share with the parent the problems and difficulties the child may have in school
- To review with the parent the child's experience of schooling
- To learn more about the child from the parent's perspective
- To learn more about parental opinions on what the school is doing
- To identify areas of tension and disagreement
- To identify ways in which parents can help their children
- To negotiate jointly decisions about the child's education and priority goals
- To inform the parents of test results

Reporting to parents:

Parents have the primary responsibility for their children's learning and development. Schools can strengthen the capacity of parents to support their children in this way by sharing meaningful information about the progress that their children are achieving in the education system. This information needs to draw on the different sources of evidence that staff use, such as conversations with the learner, data-collection and documented progress on objectives and milestones reached in their short and long-term planning, documented observations of the learners' engagement with tasks, outcomes of other assessment tasks and tests, and examples of students work. In turn, parents will often be able to enrich staffs knowledge of their students' progress through providing further information about the students learning at home.

Report Card:

St. Oliver's Special School uses a standard report card templates for reporting to parents on students' progress and achievement at school at the end of each school year.

The report cards provides for reporting in four key areas:

- The child's learning and achievement across the curriculum
- The child's learning dispositions
- The child's social and personal development
- Ways in which parents can support their child's learning

Formal Meetings:

Formal timetabled parent/teacher meetings take place in June. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

- All communication sent from the school will be sent to the child's home address as given on the enrolment form, unless otherwise requested by parents
- In the case of separated parents, requests can be made by both parents to meet their child's teacher(s) individually for parent/teacher meetings
- Formal meetings can be set up at the request of the Teacher, Principal or Parent.

Formal Meetings for IEP's

Formal timetabled parent/staff meetings on the subject of the **Individual Education Plan** will take place in September/October/November. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

Informal Parent/Staff Meetings:

- The School encourages communication between parents and staffs
- Meetings with the class teacher at the classroom door to discuss concern is discouraged on a number of grounds:
 - Staff cannot adequately supervise a class while at the same time speaking to a parent
 - It is difficult to be discrete when so many children are standing close by

Occasions occur where a parent needs to speak to a staff member urgently. Sometimes these meetings need to take place without prior notice. The Principal will aim to facilitate such meetings making every effort to ensure that the children in the class do not lose out on any of the teaching/learning time or the information may be passed on by secretary at break so as not to interfere with teaching time.

Complaints Procedure:

Complaints are infrequent, but the school would wish that these would be dealt with informally, fairly and quickly. The following is the agreed complaints procedure to be followed in primary schools.

Stage 1 - Informal Stage

- A parent/guardian who wishes to make a complaint should, firstly approach the **class teacher** with a view to resolving the complaint.
- Where the parent/guardian is unable to resolve the complaint with the class staff he/she should approach the **Principal** with a view to resolving it

- If the complaint is still unresolved, the parent/guardian should raise the matter with the Chairperson of the Board of Management with a view to resolving it.

Stage 2 - Formal Stage

- If the complaint is still unresolved and the parent/guardian wishes to pursue the matter further, he/she should lodge the complaint in writing with the Chairperson of the Board of Management
- The Chairperson will bring the precise nature of the written complaint to the notice of the staff member and seek to resolve the matter between the parties within 5 days of receipt of the written complaint.

Stage 3:

- If the complaint is not resolved informally, the Chairperson should, subject to the authorisation of the Board:
 - a. Supply the staff member with a copy of the written complaint and
 - b. Arrange a meeting with the staff member, and where applicable, the Principal with a view to resolving the complaint. Such a meeting should take place within 10 days of receipt of the written complaint.

Stage 4:

- If the complaint is still not resolved, the Chairperson should make a formal report to the board within 10 days of the meeting
- If the Board considers that the complaint is not substantiated, the staff member and the complainant should be so informed within 3 days of the Board meeting
- If the Board considers that the complaint is substantiated or that it warrants further investigation, the following steps should be followed:
 - a. The staff member should be supplied with copies of any written evidence in support of the complaint
 - b. He/she should be requested to supply a written response to the complaint to the Board and should be afforded an opportunity to make a presentation to the Board and to be accompanied by another person to that meeting
 - c. The Board may arrange a meeting with the complainant, who may be accompanied by another person to this meeting.

Stage 5:

Following the Boards investigations, the Chairperson shall convey the decision of the Board in writing to the staff member and the complainant within 5 days of the meeting of the Board. The decision of the Board shall be final.

Behaviour of all Stakeholders in the school:

Positive and respectful communication is of high importance to our school. This not only extends to the children but to all of the stakeholders e.g. the staff, parents and the wider community. Anyone entering our building should feel safe to do so. While the behaviour of children in our school is of vital importance, adults in the school

community also have a responsibility to ensure their own behaviour models the types of behaviour expected of children.

It is important that all stakeholders are responsible for their own behaviours in the school. Examples include:

- All stakeholders are expected to speak to each other with respect. Shouting or other aggressive tones are not acceptable. If a stakeholder displays anger or aggression to another member of the school community, they may be asked to remove themselves from the building. In certain cases, the Gardaí must be called
- All stakeholders will treat our children with the utmost respect while on the premises
- Staff should not be asked to speak about another parent's child. The staff of the school will respect your child's right to privacy so it is asked that parents respect other children's rights to privacy
- When stakeholders meet, it is important to respect that the time of meetings should be kept to a reasonable amount of time. Times of meetings should be agreed beforehand and these should be respected
- Staff are generally available to listen to a quick issue in the morning and after school. However, should a parent need to have a discussion or meeting, an appointment should be made at a convenient time for both parties. This ensures that issues can be resolved. Classes begin at 9:20 am and finish at 3:00pm and this time should not be interrupted.
- Principal may liaise with parents to encourage them to adhere to the above.
